he spoke extensively on HSG and basics of tubal cannulation. The second one was by Dr. Geeta Shah and she spoke extensively on sonosalpingography and the importance of endometrium in assessment of infertility. The third one was a sponsored talk by ABOTT by Dr. Girish Parmar and he spoke on Thyroid disorders in infertility. This was followed by a panel discussion where cases were discussed. The number of attendees was 47.

6) Dr. Raju Sahetya spoke about the upcoming 3 programmes of AFG -

- A) On 13th November 2022 we will be having RAN SYMPOSIA ON FIBROID 2 and the programme has been sent for 1 MMC point accreditation and it has been accepted.
- B) We have an AFG outreach CME at CORDELIA Cruise. We have 30 rooms out of which 2 have been allotted to our academic partners Emcure. On 19th November we will be having a CME on HUMOUR IN MEDICINE.
- C) LIVE OPERATIVE WORKSHOP BY AFG, convener Dr. Rajendra Saraogi to be held on 27th November 2022 at Shatabdi Centenary Hospital. Dr. Saraogi said that we will have 7-8 faculty members from outside including Dr. Shirish Sheth, Dr. PC Mahapatra, Dr. Hara Pattnaik, Dr. Vyomesh Shah, Dr. Mukesh Rathi, Dr. Ramkrishna Purohit & Dr. Mahesh Asher. We need various cases for the programme which have been assured to me by Dr. Nimish Tutwala. We have also planned to invite AMC for the programme. This programme is in association with MOGS and SOVSI. Programme will start at 8am till 5pm. Initially there will be 2 obstetric cases followed by gynaec. cases. A letter has been submitted at the Shatabdi hospital regarding permissions. They have assured that Chief Medical Superintendent of Bandra Bhabha Hospital is willing to come. A letter of all required material has been submitted to Dr. Nimish Tutwala who is HOD at Centenary Hospital. Decision regarding the stalls to be kept needs to be made. Catering is to be done by the fellow who has been doing for AFG. For audiovisual services we have spoken to Mr. More. Dr. Hrishikesh Pai (President, FOGSI), SOVSI President Dr P C Sir and MOGS President Dr Niranjan Chavan will be there for the inauguration. We have also spoken to Mr. Makrand and he has given us two choices for modes of payment for streaming the whole programme nationally and internationally, sending messages, emails and flyers for the same. A] Rs. 20,000 plus extra for SMS, EMAILS AND FLYERS OR B] 50% of the registration money. However, there should be transparency in knowing the number of registrations. In the next few days, we will finalise whether the online mode has also to be started for the operative workshop. The corridor can accommodate approximately 150-200 people.

- 7) Dr. Rakesh Pandia added that Dr. Niranjan Chavan messaged in the chat that an official agreement must be signed with Mr. Makrand and his team. Secondly, we should be expecting a large number of registrations considering this workshop being done after 2 years; will a seating of 150-200 be enough? The recording should be such that it should be very easily accessible for any AFG member to access it via the AFG website. Dr. Rajendra Saraogi said that in his experience we have only had registrations upto 200. Dr. Anurag Bhate: And 30-40 candidates are always floating; so, this seating should suffice. Dr. Raju Sahetya added that we will also need professional help for editing the videos. As per Dr. Ashlesha and Dr. Ankesh, we should also add a QR code for the location on the brochure as
