Dr. Nitin Shah shared the program updates one by one.

Report on SARICON – 1st June 2025, SK Resort

On 1st June, we organized SARICON at SK Resort, which was attended by 87 members. The event was awarded one MMC point. Dr. Shah explained that the idea behind combining topics such as HPV vaccination with other academic sessions is to keep the program engaging and to ensure good participation. A standalone HPV vaccine talk often sees poor attendance, but with slight modifications and blended sessions, more members are encouraged to attend.

Journal Club – Ongoing

We have been conducting regular Journal Club meetings almost every Wednesday at Dahisar, with Dr. Sanjay Shah and Dr. Kiran Shinde taking the lead. Members are encouraged to come forward with proposals for RTMs or Journal Club sessions, as we are ready to organize them.

5) Report on FSD Webinar held on 7th June 2025 (Clirnet).

On 7th June, we conducted a webinar on *Female Sexual Dysfunction*, convened by Dr. Neeraj Yadav. The response was excellent, with 670 participants attending. The session, hosted on the Clirnet platform, was awarded one MMC point.

6) Report on Dual Workshop – Hysteroscopy & IUI at Radisson, Goregaon on 8th June 2025.

On 8th June, a dual workshop was organized. Hysteroscopy was relayed live from Shatabdi BDBA Hospital, while an IUI demonstration was broadcast from Dr. Mukesh Agrawal's OT. Initially planned for 70 registrations, the program was later converted into a hybrid event, which further increased participation. In total, over 100 registrations were received, and the event also generated good revenue.

7) Report on Yoga Day Celebration at Hotel Sea Princess on 21st June 2025.

On 21st June, International Yoga Day was celebrated at Hotel Sea Princess. Registrations were limited to 30, as decided by the organizers. The program was well received, and Dr. Shah extended his gratitude to all AFG members and seniors who attended.

8) Report on Monsoon Webinar on Fibroid (Clirnet) held on 28th June 2025.

On 2nd July, the YUVA Council organized a monsoon webinar on *Fibroids*, coordinated by Dr. Soumil Trivedi. The session brought together distinguished national and international faculty and was attended by over 200 participants. Conducted on the Clirnet platform, the webinar was also awarded one MMC point.

Additionally, Dr. Nitin Shah explained the current practice of offering two webinar links – one free viewer link and another paid link (₹200) for MMC points. Initially, when MMC points were free, registrations often exceeded 1,000. However, after introducing the fee, attendance dropped sharply, in some cases to below 100.

He shared concerns that Clirnet's registration figures appeared inconsistent, with inflated numbers including non-members and Junior Doctors' Association lists from outside Maharashtra. Additionally, some members revealed that Clirnet charges an annual fee of Rs.5,500 to provide six MMC points, which may explain discrepancies.

Pharma sponsorships are becoming harder to secure, with companies reluctant to increase budgets. For instance, Sun Pharma has remained fixed at Rs.7 lakhs for years. The small fee for MMC points was introduced to make programs more self-sustaining and less dependent on pharma support.

“While one of the committee members suggested shifting to an independent Zoom platform, Dr. Nitin Shah highlighted those technical challenges faced during his tenure made it difficult to manage. Therefore, he recommended continuing with Clirnet for now, and to charge Rs.200 per webinar for participants seeking MMC points, until Clirnet themselves decide to discontinue

9) Report on Walkathon at Borivali National Park on 29th June 2025.

Dr. Nitin Shah mentioned The last program of June was the Walkathon, held on 29th June in association with the Borivali Anesthesia Society and Healthcon. The event saw around 87 registrations. A CPR workshop was conducted during breakfast and lunch hours at the National Park, which also drew interest from members of the public.

The session was engaging, with people asking the team to continue and share more, lasting nearly an hour. Two mannequins were used for live demonstrations, and the anesthesia team managed it exceptionally well. Feedback from anesthesiologists was very positive. However, attendance from gynecology members was poor, with nearly 70% of participants being anesthetists. Overall, it was a successful and well-received program.

10) Report on Yuva Webinar – Empowering Young Minds with Knowledge and Insights held on 2nd July 2025.

Dr. Nitin Shah shared the report of the YUVA Webinar held on 2nd July 2025. The webinar was awarded **1 MMC point** and recorded an attendance of **287 participants**. The platform used was **Clirnet**, the same as in the previous webinar.

During this second YUVA Webinar, there was an issue where the attendance figure was incorrectly reported as only 50 participants. However, Ms. Rabiya Shaikh had received confirmation of 250 participants. She promptly communicated this discrepancy, strongly followed up with Clirnet, and ensured that the correct figures were reflected. Despite the initial confusion, her persistence and efforts helped resolve the matter and secure the rightful collection of funds from Clirnet.

We extend our gratitude to Ms. Rabiya for her proactive approach and determination in ensuring transparency and accuracy.

11) Report on Igatpuri Outreach – Making a Difference in the Community held on 6th July 2025.

The Igatpuri Outreach program, exclusively sponsored by **Gufic Pharma**, was held on Sunday, 6th July 2025 at **Camel Valley Resort (Mystic Valley)**. The program was conducted as a **full-day event** with an attendance of **60 participants**. The prime speaker for the day was **Dr. Jatin Shah**, and the program was very well received.

Fixed Deposits:

- FD Interest: Rs.8,17,108.00
- FD TDS Deducted: Rs.81,556.00

21) Any other matter with the permission of the chair.

Dr. Nitin Shah informed the house that the next **CME will be held on 7th September 2025**, sponsored by **Sun Pharma**. On this occasion, AFG will also felicitate doctors aged 60 and 65 with a **AFG Lifetime Distinguished Service Award**.

During the discussion, **Dr. Mukesh Gupta raised an objection** to the proposed name "*Lifetime Service Distinguished Award*." He pointed out that the term "*lifetime*" may imply the end of life, which is inappropriate. He suggested that doctors reaching the age of 60 should instead be honored with a **Lifetime Achievement Award**.

After considerable discussion, the majority agreed that the award should be named the **AFG Distinguished Service Award**, instead of "*Lifetime Service Distinguished Award*."

The meeting was concluded by the Secretary Dr. Bela Bhat with the vote of thanks.
