ASSOCIATION OF FELLOW GYNAECOLOGIST

Dear Friends,

We are sure you have received the earlier brochure and marked your calendars for the **10th and 11th of March 2012** when we will be having a virtual academic feast at **"NATCON 2012"** the National Conference of Association of Fellow Gynaecologists in association with **ISOPARB** (Indian Association of Perinatology and Reproductive Biology). The entire schedule has now been finalized and we will be having one cracker of a Conference wherein we will refresh our knowledge by reviewing best practices in our field. While we have spared no efforts in ensuring a program with a faculty comprising of eminent teachers and practioners, the success of the program will be enhanced in your active participation. As is now well known, AFG conferences have a high degree of audience participation and this year's Conference we are sure will be no exception. The pre-conference workshop on **"Optimizing Labour Management"** will be held at the Seven Hills hospital and will definitely help us to sharpen our skills for day to day obstetric practice. Please register early as we have a limited seating capacity at the venue.
