A PANEL DISCUSSION ENTITLED

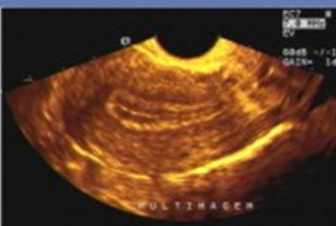

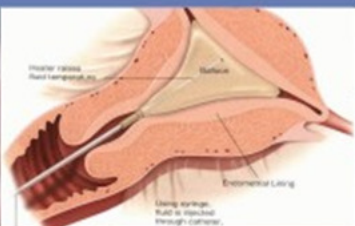

Conservative Management of DUB

Venue

Goregaon (West), Mumbai

Date & Time

9am - 1 pm

Friends

Welcome to one more eventful year.....

This year we plan to give you quite a few power-packed programs, a workshop and an Annual Conference. The calendar of events will be with you shortly.

This year we offer a one-time Registration fee. The yearly membership entitles you to all the events organized by the AFG throughout the year at the subsidized cost. This will maximize benefits, minimize costs and minimize administrative hassles.

Hysterectomy is one of the most commonly performed surgeries all over the world. Can we honestly justify all these surgeries? Have we tried the Medical Therapy adequately before advocating Hysterectomy? Have we discussed all treatment options with the patient before subjecting her to a major surgery? Where do we stand Medicolegally if someone questions your judgement? We shall answer many more questions during our forthcoming program.

The year begins with a panel discussion on Conservative "Management of DUB" with 102 moderators (2 of us and all of you). A talented panel of Gynaecologists will field the barrage of questions and provide some pearls of wisdom. Do savour the academic feast, take benefit of the yearly membership and make this program very interactive, like all the other programs.
